Dear Dr. Van Schaack:

Many thanks for your valuable information you gave me concerning L'Héritier, Geraniologia. As pl. 14 is also lacking in your copy, I wrote to Mrs. Schwarten of the Arnold Arboretum. She sent me, together with the names for this plate, a transcription of the title page.

Since your copy also lacks the title page , I think it may be profitable to you to have the exact wording. I therefore enclose a copy of the transcription for your convenience.

With Best Wishes,

Yours sincerely,

G. Buchheim
